

Our Vision...

is to prayerfully seek to fulfill Christ's mission by encouraging and enabling women to become all they are to be in Christ. We will do this by bringing together women of all ages and stages for edification, service, and mission opportunities. As we go, we will equip Christian sisters to bless and share with others the love, grace, and truth of Jesus Christ.

"It was He who gave some to be apostles, some to be prophets, some to be evangelists, and some to be pastors and teachers, to prepare God's people for works of service, so that the body of Christ may be built up..."
